Statement by Minister for Finance and Tourism

Re : Exemption in the payment of Agricultural Income Tax.

MR DEPUTY SPEAKER.—Now the Hon'ble Minister for Finance would like to make a statement. I call upon the Minister for Finance to make the statement.

SRI M. VEERAPPA MOILY (Minister for Finance and Tourism).—Mr. Deputy Speaker, Sir, I wish to make the following statement.

As the Honourable Members are aware, Government had given an assurance on the floor of this House and that of the Legislative Council that Income from all crops grown on dry lands and non-commercial crops would be exempted from the levy of Agricultural Income Tax. Accordingly, a Bill was introduced in the Legislative

Assembly on 6-2-1981 to amend the Karnataka Agricultural Income Tax Act, 1957. By a resolution of this House, this Bill was referred to the Select Committee, whose report was presented in this House on 29th March 1982. Meanwhile, Government received the recommendations of the Karnataka Taxation Review Committee headed by Prof. I. S. Gulati, which had suggested confining Agricultural Income Tax only to plantation crops. Taking note of the recommendations of the Select Committee on Agricultural Income Tax and also those of the Karnataka Taxation Review Committee, Government have decided to exempt all non-plantation crops from the purview of Agricultural Income Tax with effect from 1-4-1982. With this decision, Agricultural Income from plantation crops derived during any accounting year ending on or after 31-3-1982 alone will be subjected to Agricultural Income Tax. It has also been decided to make it clear that Agricultural Income from non-plantation crops derived by Agriculturists gowing plantation crops would be totally excluded not only for purposes of computing their taxable income, but also the tax liability limit.
